Legalities, Copyright and Intellectual Property

1. Dave Goodfellow Web design shall expect the client to carry out sufficient research before proceeding with a website. This will include checking that the website/idea/business will operate legally. It is important that the website is not in any way illegal. Please ensure that any images or content you supply or use on your website, is legally available for you to use. We cannot be held responsible for the illegal use of images, content or format of material supplied by the client.
2. Where images used on the website have been supplied by Dave Goodfellow Web design on behalf of the client, these image restricted by license for use on the website only Dave Goodfellow Web design are not liable for misuse of these images by the client or any other person's copying, altering or distributing the images to individuals or other organisations.
3. The client will own the website design and development in full. The Wix platform software will remain as such.
4. Dave Goodfellow Web design makes no claims that the project may be lawfully viewed or downloaded outside England and Wales. Access to this text content may not be legal by certain persons or in certain countries. If this text content is accessed from outside of the United Kingdom, it is done at own risk and the visitor is responsible for compliance with the relevant laws of the visitor's jurisdiction. The terms and conditions of this text content are governed by the laws of England and Wales. Jurisdiction for any claims arising in respect of this text content shall lie exclusively with the courts of England. If any provision of these terms and conditions is found to be invalid by any Court having competent jurisdiction, the invalidity of such provision shall not affect the validity of the remaining provisions of these terms and conditions, which shall remain in full force and effect.
5. Dave Goodfellow Web design cannot be held responsible for anything adversely affecting the Client's business operation, sales, or profitability that might be claimed is a result of a service offered by Dave Goodfellow Web design .
6. The project will be designed using the wix platform, hosting, domain names are all payable to Wix up on live launch of your project.

Paying for your project

1. Payment terms for your project will be set out when you order your project, a deposit of £50.00 is required at the time of order
2. Dave Goodfellow Web design own all of any project including images and text until final payment has been received in full. On receipt of final payment full ownership of the project are handed to the client.
3. All payments to Dave Goodfellow Web design for any project or service are non refundable.
4. If the client cancels the project after the first draft has be designed full payment of the balance is required.

Website Design Service

Website Design and Development

1. Design is subjective, and for this reason we offer 'unlimited design revisions'. This means that we will continue to work with you on your design concept until you are happy with our proposal. The unlimited design revision period ends when the client accepts the design proposal and home page draft. Design changes beyond this point are subject to additional charges.
2. Design and layout changes to the internal pages of the website are subject to restrictions within depending on Wix platform
3. Dave Goodfellow Web design will provide a completion date if and when a final list of changes made by the client.
4. Dave Goodfellow Web design do not take any responsibility for a client's website rank on search engines. This also includes any potential website downtime that can occur. When updating, changing, creating and hosting a client's website, there could be a change in the websites search engine ranking.
